Charge of Penalbium. The period taken by him till now exceeds 18 months and in the meanwhile Dr. J is only manoeuvring to prolong his stay and claiming extra concessions and privileges. It was only under very exceptional circumstances that he was permitted to stay till the end of January 1929 (vide paras 54 to 57 of Notes, in the weekly file 64-28) placed below. Instead of starting at the close of January 1929, he has stayed away and applied for leave. This disregards orders of Govt. for the second time.

9) Under the circumstances it is for consideration of the present request of this Office for grant of a term, and extention of leave can also be considered.
